Bulb Replacement

To change the light bulb in this car first remove the end screw on the car. Lift the end of the body up and forward until the tabs on the frame have released from the slots in the body. The bulb can be reached by pulling it straight up through the hole on top of the screen. Note: The screen is shown

above the frame for better clarity of the bulb and bulb holder removal. The bulb should be replaced with bulb # 600-8352-311 available from your local Lionel Authorized Service Station or the Lionel Consumer Services Department.

Lubricating the drive truck's worm gear

The worm gear should be lubricated periodically. The Lionel Multi-Purpose Lubricant # 600-29270010 is recommended and is available at your nearest Lionel Authorized Service Station.
